Thank you for joining us tonight!

Tonight, we're focusing on the inspiration we find in John 1:5: "The light shines in the darkness, and the darkness has not overcome it." Because of your generosity, prayers, and service, we're celebrating all the ways we've seen the light of Jesus shine in the darkness through Life Forward this year:

2,499

Appointments with clients.

1,266

Visits to our care closet.

951

Unique individual clients we serve.

This doesn't include their baby and the baby's father.

708

Spiritual conversations.

184

Referrals from former clients to women now experiencing an unplanned pregnancy.

Thank you for your partnership in this effort! This is not something we could do without your support and investment. The darkness may be looming in our communities, but you are making the light of Jesus shine brighter in every corner! And the darkness has not overcome it.

Yours in Life
